

GEAR THAT CHANGES SCENES

Starter gear shelves

Item	Cost	Use
Rope with ribbon knots	5 copper	+1 climbing/rescue when someone holds the end.
Lantern with beetle glass	8 copper	Reveal one clue before a dark roll.
Tiny toolkit	1 silver	Try Int checks on locks, carts, toys, traps.
Oat pouch	2 copper	+1 Wis with hungry animals.

Gear scenes

- Rope makes teamwork visible: one climbs, one holds, one watches.
- Lanterns should show clues, not just remove darkness.
- Tools let small hands fix things instead of smash them.
- Food is social magic: it starts conversations.

Rule: gear gives +1 only when the player describes how it helps.

MAGIC ITEMS

Rowan-Bark Shield

Reduces thorn, arrow, or fear trouble by 2 HP. Wants to protect someone smaller.

Loch-Mirror Cloak

+1 to sneak in mist or moonlight. Shows the wearer one honest reflection.

Cairn-Knuckle Ring

+1 to hold, lift, or remember an oath. Heavy when lies are near.

Star-Moth Lantern

Reveals invisible ink, ghost tracks, and shy fairies if spoken to politely.

Mythral Seed Blade

Cuts curses and refuses cruelty. It becomes dull if used to bully.

Bridge-Friend Badge

Roads and bridges answer one practical question per adventure.
