How WEST MARCHES PLAY WORKS

One safe home base

The hearth-town of Kettleford is where each session starts and ends. The notice board gives choices, but the Guide only needs one chosen quest ready.

- Pick one notice from the board.
- Ask the party which route they take.
- Run three exploration turns.
- Bring everyone home before bedtime.

Step	Question
1. Look	What do the Adventurers notice in the art or map?
2. Choose	Careful, normal, or brave shortcut?
3. Meet	Creature, clue, weather, or local helper?
4. Mark	Add a sticker, path, friend, danger, or treasure to the map.

West Marches rule: no quest is mandatory; players choose the next notice.
